

Gingerbread Festival: Competition guidelines

Gingerbread Festival Poster Decoration

We'd love you to join in our gingerbread festival competitions, please see the guidelines below. Winners will receive a small gift.

- Download and print our free poster from our website
- Colour in and decorate the poster in any way you wish, be creative as you want as long as the festival details can still be read
- Find a place to put up the poster, this can be in Downham Market itself, or in a surrounding village or town. Please be mindful of where you place it: notice boards or inside shop windows are fantastic, please ask the owner's permission. However, please don't attach to trees or posts, as this can be classed as littering.
- Adults and children can join in
- When you have put up your poster, please take a photo and email it to us with the location, and your name, and your age (if under 16, if over 16 please just say adult), so we know where to find it and what it looks like. fascinatingfens@outlook.com
- The posters must be up prior to the Gingerbread festival, and the last date for the emails to be received are 18th November.
